**Bikes for Books - Grades 3-5
Scooters for Reading – Grades K-2**

You can win one of these items by being the person who reads the most books. A drawing will be held on Thursday, October 27, 2011 for a boy and a girl to win a bike or a scooter.

Here's how to be in the drawing to win the bike or scooter. Read a book at home each night. Reading during the school day does not count. Give your teacher a list of the books you have read at home on a reading log. Have your parents sign. Each week your teacher will give the reading log to the office. Your name will be placed in the drawing to win the bike or the scooter.

It's that easy! So, read...read...read.....

You can do it! Last year IICSN students read 1,000 books during our Bikes for Books contest. Let's see if we can increase this number. The classroom with the most readers will get a popsicle party from the principal!
