2ND GRADE

WELCOME

Welcome to the Second Grade Classes! We are very excited to have the opportunity to work with your children this year!

We feel that good communication with parents will enhance your child's learning. We like to communicate with parents via email. We send a weekly newsletter that includes homework assignments and important information. Please provide your child's teacher with your contact information as soon as possible.

Our classes will be taking a morning nutrition break. Please send a nutritious snack for your child to eat. Water will be the only drink allowed in the classroom. Please express to your child the importance of eating healthy!

Please remember to follow our new dress code this year. Our class will be having P.E. Class during the week. Please make sure your child is dressed accordingly with gym shoes.

Passwords will be given to each student. These passwords will be used for parents to access their child's grades through the school's website. The password will also be used for student's use in Technology class and for studyisland.com.

Again, We are looking forward to a very successful year!

Sincerely Yours,

Ms. Brady, Mrs. DeArkland, Mrs. Lopez
