

# December 2011 8th Grade Science

SUN MON TUE WED THU FRI SAT

				1	2	3
				<b>Intro to Chemistry Chapter 1 Test</b>	CRT Ch 6 Atoms and Elements	
4	5 Intro to Elements and the Periodic Table/ What's in the Box? lab	6 Introduction to Atoms	7 Atoms Continued	8 Organizing the Elements	9 CRT Ch 18 Complexity of Living Things	10
11	12 Organizing the Elements Continued	13 Metals	14 Metals Continued	15 Finding Metals Lab	16 CRT Ch 43 Earth's Atmosphere and Climate	17
18	19 Winter Break	20 Winter Break	21 Winter Break	22 Winter Break	23 Winter Break	24
25	26 Winter Break	27 Winter Break	28 Winter Break	29 Winter Break	30 Winter Break	

8th Grade Curriculum Outline  
 \*\*This is a tentative schedule and not necessarily the order that we will follow.\*\*

Physical Science  
 Properties of Matter  
 Periodic Table  
 Mixtures and Compounds  
 Atomic Structures  
 Force and Motion  
 Waves  
 Forms and Uses of Energy  
 Electricity

**ALL TESTS ARE DIRECTLY FROM THE NOTES!**  
**STUDENTS SHOULD BE STUDYING AT LEAST 5-10 MINUTES A NIGHT!**

Dear Families,

We will be starting our unit on the Periodic Table of the Elements this month. Please encourage your students to review notes nightly. They will apply this knowledge to a project starting in January. Thank you for your support and be safe over the holidays. ~Ms. Rothstein
