Dear Parents,

You are invited to attend our yearly Science Night at the school on Thursday, March 25, 2010.

Science night will begin at 6:00 p.m. and continue until its close at 8:00 p.m. You may come whenever you are able and leave when you have seen and done all you wish to do.

Each grade level will have a series of games, experiments, and presentations for our families to show what your child has learned this year. We are looking forward to sharing these with all of you.

Please put this date on your calendar and plan to join us for an evening of fun!
